GERGOSIGN
TECHNICAL ADHESIVE TAPES FOR FLOOR MARKING

Fortified by its know-how since 1962, GERGONNE INDUSTRIE is a French technical adhesives tapes manufacturer.

Concerned about traffic security, organisation and optimisation of industrial spaces, GERGONNE INDUSTRIE has developed its own range of adhesive floor markings in order to apply its expertise to industrial manufacturers.

The GERGOSIGN range offers specific long-lasting floor marking adhesives which can be removed without residue, even after several years. The range includes a wide choice of adhesives (shapes and colors) which allow storage and traffic areas signalisation but also flows and important spaces identification (emergency exits, fire extinguisher, etc...).

By choosing GERGOSIGN, you have the guarantee to benefit from the expertise of a French adhesive tapes manufacturer and therefore, to benefit from quality products.

CONTROL OF INDUSTRIAL SPACES, A THREEFOLD ISSUE

1 SECURITY

With some dangerous and traffic areas well located and secured, you have:

- Some limited risks of percussion and accident
- A good visibility of spaces with firefighting equipment
- A facilitated evacuation plan

2 ORGANISATION

With a well structured production tool, you have:

- A virtuous work environment for your teams
- A very positive image for your customers
- Some significant financial gains

3 OPTIMISATION

Use less square meters means:

- Less building to be constructed
- Less space to be heated, illuminated and maintained
- Less meters to be made for your operators (reduction of flows)
